## 2012 Walk-up Outreach Report

These outreaches require you to find a leader (or a couple or a family) to hold a sign at Five Sullivan and let walk-ins from the community come join in for that outreach. You'll need to determine the outreach, location, and get supplies and a sign to hold. See [www.lovecedarvalley.com](http://www.lovecedarvalley.com) to see what walk-ups and locations have already been reported. This list will be updated continually. (We really need your help on this one!)

## 2012 Joint LCV Service Project

Our church is willing to participate in a joint service project on April 21 with another church this year.

\_\_\_\_\_ We would like Love Cedar Valley's help to get connected with another church that wants to participate in a joint service project and receive help in finding a service project that we could do together.

\_\_\_\_\_ We plan to work together this year on a joint service project. See our plans below:
